Seeing Grandchildren in Heaven!

The Lord bless you from Zion! May you see the prosperity of Jerusalem all the days of your life! May you see your children's children! Peace be upon Israel!

Psalm 128:5-6

Perhaps you have met them before. People who you once thought were normal and balanced people, but you suddenly find to be full of irrepressible joy at becoming grandparents for the first time. All dignity and restraint are exchanged for the opportunity to elicit one simple smile from their grandchild. Grandparents are always thankful to see their grandchildren and not only for the first time, but every time.

The Scriptures teach us that every good and perfect gift comes from above. Also, the opportunity to see your children's children is understood a great blessing from God according to Psalm 128. The care of children is a matter of a godly vocation because we understand that children belong to our heavenly Father and that we are to be stewards of those entrusted to our care. The responsibility of parents is to raise their children as God's children so that they know their heavenly Father and that they will dwell with Him in eternity. Imagine your children not being able to recognize our heavenly Father. Therefore, parents and grandparents alike are entrusted by God to do more than give children "stuff" or take them to practices or the swimming pool. They are called by God to give to their children and their children's children Jesus. They are called to fill their ears and hearts with the Gospel. "For the Kingdom of God belongs to such as these" (Luke 18:16).

Maybe you are one of those grandparents who have been separated from your children due to living far away from one another. Maybe there are other reasons. Either way, you would probably agree with me that these types of grandparents are still filled with irrepressible joy when they finally get to see their grandchildren. They pray that this irrepressible joy may flow over to the joy that they will experience in the new heaven and earth when they see with their eyes the Lamb of God and their believing grandchildren. Take my word for it, grandparents don't just want to see their grandchildren for Thanksgiving, Christmas or at the family reunion. Grandparents pray that they will see their grandchildren eternally in God's new creation.

Parents today make great sacrifices for their children. Their concern for children is commendable. However, children need parents and grandparents who prioritize teaching them who they are as God's children, created in the image of God, bought by the blood of Jesus and called by name by the Holy Spirit. Children need parents and grandparents who help their children to see Jesus so that they will see them eternally as they are all filled with the irrepressible joy of being in the presence of their Savior.

In the Name of Jesus,

Preschool News

Did you hear that? The sound of little feet is back in the preschool room and ready to *hear* God's word. Trinity 4/5 is learning about our five senses, and of course we use our *ears* to *hear*, and Romans 10:17 reminds us that "Faith comes from hearing the word of God". We use our *eyes* to *see* His glory all around us and our *tongue* to *taste* all the good foods He provides for us, like popcorn! In Mark 10 we hear Jesus tell his disciples to "let the children come to me", so we use our *hands* to *touch* and hug each other. As you guessed our senses won't take us very long to learn, so we will move onto shapes where each child will make their own creation plate. Each day we will hear about God's creation then make it on our creation plate, make sure to come down to the preschool room and look at our plates!

Trinity 3 is very busy playing with new friends and discovering the toys in the room! While learning to be around new friends we are talking about several careers. Starting with train engineer, learning how Jesus keeps us on the right track! We will continue careers, being a Veterinarian. Talking about how much we all love our pets and how we need to take care of them; again just like Jesus does for us, he loves us and takes care of us always. Trinity 3 will also be talking about Gods' creation that we live in, only they will be making theirs by way of a mural, it will be on display in the hallway so make sure to walk down and see how it changes each week.

Both teachers and both classes want to give you all a big *bear hug* and THANK YOU for your support through prayer, and for helping us out with the supplies for the school. We still have room for new students and it is not too late to enroll for the school year.

Serving Christ together,

Tammy Lampe & Tina Davis
